

**PUBLIC HEALTH DEPARTMENT[641]**

**Adopted and Filed Emergency After Notice**

Pursuant to the authority of Iowa Code section 105.4, the Iowa Plumbing and Mechanical Systems Board hereby adopts Chapter 34, "Plumbing and Mechanical Systems Board—Complaints and Investigations," Iowa Administrative Code.

The rules in Chapter 34 describe how to submit a complaint to the Iowa Plumbing and Mechanical Systems Board. The rules also detail how an investigation will be conducted and how the review process will proceed.

Notice of Intended Action was published in the Iowa Administrative Bulletin on December 2, 2009, as **ARC 8364B**. A public hearing was held on December 22, 2009. No comments were received pertaining to Chapter 34. The adopted rules are identical to those published under Notice.

The Board finds, pursuant to Iowa Code section 17A.5(2)"b"(2), that the normal effective date of these rules should be waived and these rules should be made effective upon filing, as the rules confer a benefit on licensees by providing a means for submitting a complaint and understanding the process that will be followed during the investigation.

The Plumbing and Mechanical Systems Board adopted these rules on January 19, 2010.

These rules became effective January 26, 2010.

These rules are intended to implement Iowa Code chapters 17A, 105, and 272C.

EDITOR'S NOTE: Pursuant to recommendation of the Administrative Rules Review Committee published in the Iowa Administrative Bulletin, September 10, 1986, the text of these rules [Ch 34] is being omitted. These rules are identical to those published under Notice as **ARC 8364B**, IAB 12/2/09.
